Plainfield Public Schools Online Enrollment *Saves Time and Provides Accuracy*

Plainfield, NJ – August 6, 2018 – Starting Monday, August 13, 2018 all new student registrations will be conducted online for all Plainfield Public Schools. Students will be able to register online. Parents will be prompted to follow three (3) steps to enroll their children. Once the initial information is in the system, parents are asked to print the documents, review to make sure they have all the forms completed, to call the district office and schedule an appointment that is more convenient to their schedule.

Peter Wu, Business Office Coordinator said, “The new system will be more efficient because the parents will be able to input and submit the student’s information online and prepare the appropriate paperwork before coming to the district office.”

The parents will be able to schedule an appointment at a time when they are available rather than sit long hours at the district office said Wu. “This will be more efficient and save the parents time.”
